PROSPECTUS

Director's Message

Dr Suniel Kumar Bokolia

Welcome to the *ALL INDIA INSTITUTE OF ALTERNATIVE MEDICAL SCIENCE MEDICAL COLLEGE AND HOSPITAL*. We are committed to providing our students with a comprehensive education in alternative medicine.

Our faculty is comprised of experienced and dedicated professionals who are passionate about teaching and helping our students achieve their goals.

As student, you will be part of a dynamic and inclusive environment that values collaboration, innovation, and social responsibility. You will have access to a wide range of academic, research, and extracurricular opportunities that will enrich your learning experience and prepare you for success in an ever-changing world.

We offer a wide range of programs, including *CERTIFICATE COURSES, DIPLOMA COURSES, BACHELOR DEGREE COURSES, & MD courses*.

I invite you to explore our prospectus and discover the many ways in which can help you achieve your goals and aspirations. Join us, and together, let's shape a brighter future.

ALL INDIA INSTITUTE OF ALTERNATIVE MEDICAL SCIENCE MEDICAL COLLEGE AND HOSPITAL

The ALL INDIA INSTITUTE OF ALTERNATIVE MEDICAL SCIENCE MEDICAL COLLEGE AND HOSPITAL is a comprehensive medical institution dedicated to providing high-quality education and healthcare in alternative medicine. The institute offers a wide range of programs from certificate courses to bachelor's and doctoral degrees, covering various disciplines like acupressure, acupuncture, and electrohomeopathy. With a strong emphasis on research and innovation, the institute strives to advance the field of alternative medicine and contribute to the well-being of society.

ALL INDIA INSTITUTE OF ALTERNATIVE MEDICAL SCIENCE MEDICAL COLLEGE AND HOSPITAL aims to help students start exciting careers through the training programs we offer. Programs offered by our school are both clock-hour and credit-hour, and provide students the chance to complete career training within a

short time frame, and start their careers as entry-level professionals. Our institution offers both degree-granting and non-degree granting programs and provides a comprehensive approach to learning; most of the training programs include an externship program to provide students with real world practical experiences. Some of these programs provide students a chance to become nationally certified in their chosen profession.

ALL INDIA INSTITUTE OF ALTERNATIVE MEDICAL SCIENCE MEDICAL COLLEGE AND HOSPITAL's goal is to provide each of our students with the best possible training available in the occupations related to medicine and health. Our goal is to give our students entry-level skills in their newly chosen industry, skills that will yield prestige, pride and professionalism.

We are dedicated to designing innovative programs by collaborating with industry professionals to ensure that students are met with educational success, not only in the classroom, but in the healthcare community. Our qualified faculty strives to implement effective learning methodologies through which students will develop the necessary competencies required in the field of allied health. Our institution continually pursues to provide an adaptable environment, which secures integrity, accountability and proficiency.

►► FACILITIES

Our institute boasts state-of-the-art facilities designed to provide our students with an exceptional learning experience. We have well-equipped classrooms with interactive whiteboards, comfortable seating, and ample natural lighting. The library is a haven for knowledge seekers, offering a vast collection of books, journals, and digital resources. We also have a modern auditorium for lectures, workshops, and cultural events.

Classes

Meditation

Our facilities extend beyond the academic realm. We have a well-maintained gymnasium for fitness enthusiasts, a serene meditation center for relaxation, and a cafeteria that serves nutritious and delicious meals. Students can access high-speed internet throughout the campus, facilitating their research and communication needs. These facilities are designed to create a conducive learning environment and holistic development.

►► FACULTY

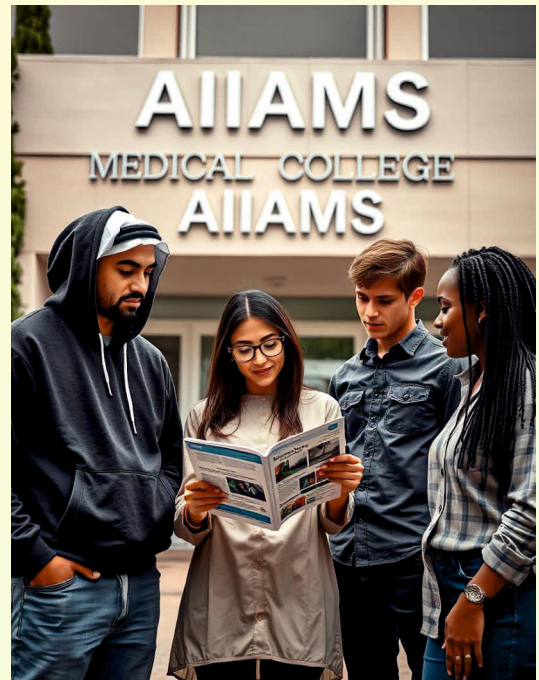

The *All India Institute of Alternative Medical Science Medical College and Hospital* is proud of its dedicated and experienced faculty.

Our faculty members are highly qualified and passionate about teaching alternative medicine. They are committed to providing students with a comprehensive and high-quality education.

►► STUDENT LIFE

The **ALL INDIA INSTITUTE OF ALTERNATIVE MEDICAL SCIENCE MEDICAL COLLEGE AND HOSPITAL** provides a vibrant and supportive learning environment for its students. The campus is designed to foster a sense of community and collaboration, with ample opportunities for students to connect with their peers and faculty. Students can participate in a variety of extracurricular activities, including sports, cultural events, and social clubs.

The institute also offers a range of student support services, such as academic advising, career counseling, and financial aid. These services are designed to help students succeed academically and professionally. Students at the institute are encouraged to pursue their passions and develop their skills in a supportive and encouraging environment.

CHAIRMAN

Dr Rakesh is the Chairman of the All India Institute of Alternative Medical Science. He is a highly respected and experienced professional with a passion for alternative medicine. Dr Rakesh has been instrumental in the development and growth of the Institute.

Leadership & Vision

Dr Rakesh leadership is marked by his commitment to quality education and research. He has a clear vision for the Institute, aiming to advance the field of alternative medicine and provide exceptional training to future practitioners.

Academic Excellence

Dr Rakesh believes in nurturing academic excellence. Under his guidance, the Institute has implemented rigorous programs and standards, ensuring that students receive a high-quality education and are well-equipped to enter the field.

Achievements

VICE CHAIRMAN

Dr SULEKHA

BEMS & GYNECOLOGIST

**Director of
DR KUMAR HERBAL REMEDIES REACHER**

Leadership & Vision

Dr. Sulekha, a renowned gynecologist and alternative medicine expert, brings visionary leadership to the All India Institute of Alternative Medical Science as Vice Chairman. With a passion for integrative healthcare, she spearheads the institute's mission to provide comprehensive education and healthcare solutions. Her expertise and foresight have significantly contributed to the institute's growth and reputation.

Academic Excellence

As a distinguished healthcare expert and educator, **Dr. Sulekha** provides strategic leadership to the All India Institute of Alternative Medical Science. Her vision focuses on:-

Integrating alternative and conventional medicine for comprehensive healthcare

- Fostering research and innovation in medical science
- Developing compassionate, skilled healthcare professionals
- Promoting holistic wellness through community engagement

Achievements

- ⦿ Specialization in Gynaecology
- ⦿ Bachelor of Electropathy Medicine and Surgery (BEMS)
- ⦿ Additional training in Acupuncture, Homeopathy, and Naturopathy

DIRECTOR

INTERNATIONAL HUMANITARIAN AWARDEE

Dr SUNIEL KUMAR BOKOLIA

BEMS, BAMS & PhD

"BHARAT SHRI & BHARAT VIBHUSHAN"
GOLD MEDALIST / UNESCO (UN) Medalist
Best Doctor of Achievement Award
Multiple World Record Holder
Honored by the President of the
United States of America

Visionary Leader

Dr Suniel Kumar Bokolia is a renowned expert in alternative medicine. He has dedicated his life to promoting holistic health and well-being. His vision is to empower individuals to take charge of their health through natural and effective methods.

Experienced Educator

Dr Suniel Kumar Bokolia is a highly respected educator and mentor. He has trained numerous practitioners in various alternative therapies. His passion for sharing knowledge is evident in his engaging teaching style and commitment to student success.

Guiding Force

As the Director of the All India Institute of Alternative Medical Science, **Dr Bokolia** plays a pivotal role in shaping the future of alternative medicine. He guides the institute towards excellence, fostering innovation and promoting research in this field.

DEPUTY DIRECTOR

BEMS

PULMONOLOGIST & GYNECOLOGIST

Visionary Leader

Dr. Kalpana, a Visionary pulmonologist and gynecologist who's shaping the future of healthcare as Deputy Director of the All India Institute of Alternative Medical Science. With her extensive expertise and certifications in alternative medicine,

Leadership & Vision

Dr. Kalpana is dedicated to bridging the gap between conventional and alternative healthcare. Her passions include mentoring the next generation of healthcare leaders, driving innovative research, and fostering community engagement.

Academic Excellence

Dr. Kalpana is a visionary leader dedicated to transforming healthcare education. Her focus areas include:-

- ⦿ Integrative healthcare models
- ⦿ Interdisciplinary research collaborations
- ⦿ Developing empathetic, skilled healthcare professionals
- ⦿ Community engagement and outreach

Achievements

Dr. Kalpana's achievements are impressive from developing cutting-edge curricula to collaborating with global research partners. Her commitment to excellence has earned her recognition for outstanding contributions to healthcare education and innovative research.

- ⦿ Special Commissioner of Police
- ⦿ Self Defence Instructor
- ⦿ 8 times Class 1 Commendation Certificate by Special Commissioner
- ⦿ Ambedkar Ratn Award
- ⦿ Nari Shakti Award
- ⦿ Jai Hind Gaurav Award

Our Commitment to Excellence in Alternative Medicine

Traditional Practice

We pride ourselves on our dedication to traditional practices of electro Homeopathy. Our experience faculty members are experts in these ancient systems of healing, and they bring their knowledge and expertise to the classroom and clinic.

Modern Research

While we embrace the wisdom of the past, we also actively engage in modern research to validate and advance alternative medicine practice. Our research facilities are equipped with state-of-art technology, allowing us to explore the efficacy and safety of various alternative therapies.

Holistic Approach

AIAMS is committed to providing a holistic approach to healthcare that addresses the physical, mental, emotional & spiritual well believe that a comprehensive approach is crucial for achieving lasting health and wellness.

Empowering Students to Become Healthcare Leaders

Clinical Rotations

Students gain practical experience through rigorous clinical rotations in our affiliated hospitals and healthcare centers. They work alongside experienced practitioners, gaining valuable insights into patient care and developing their clinical skills.

Leadership Development

AIAMS fosters leadership qualities in students through various programs and activities. They learn to work in teams, communicate effectively, and

1

3

Research Opportunities

We encourage students to participate in research projects, allowing them to contribute to the advancement of alternative medicine. They can explore new therapies, study the efficacy of existing treatments, and contribute to the scientific understanding of alternative medicine.

Integrating Traditional and Electrohomeopathy Medical Practices

Complementary Approach

We believe that traditional and modern medical practices can complement each other, offering a holistic approach to healthcare. Our students learn to integrate these approaches, providing patients with personalized care plans that address their individual needs.

Evidence-Based Practice

ALIAMS encourages evidence-based practice, incorporating both traditional knowledge and scientific research into the delivery of healthcare. We strive to provide our patients with the most effective and safe treatments, regardless of the source of knowledge.

Research & Innovation

We actively engage in research to explore the efficacy of various traditional therapies and to develop new integrative approaches. This commitment to innovation allows us to advance the field of alternative medicine and provide our patients with cutting-edge

Cutting-edge Facilities and State-of-the-art Equipment

Laboratory Equipment

Cutting-edge laboratory equipment for research and analysis

Clinical Simulation Centers

State-of-the-art clinical simulation centers for practical training and skill development

Library Resources

A comprehensive library with a vast collection of books, journals, and online resources for academic research and learning

Digital Learning Platforms

Modern digital learning platforms for online courses, interactive content, and collaborative learning experiences

ADMISSIONS

►► *Eligibility Criteria*

The All India Institute of Alternative Medical Science has specific eligibility criteria for each program. This includes academic qualifications, prior experience, and sometimes age requirements.

1

2

►► *Application Process*

The application process involves filling out an online application form, providing necessary documents, and paying the application fee. The deadline for applications can vary depending on the program and semester. Make sure to apply within the time frame.

►► *Selection Process*

The selection process can involve a written exam, personal interview, or a combination of both. Candidates are selected based on their academic performance, interview performance, and overall suitability for the program.

3

PROSPECTUS OFFERS

Explore a range of certificate courses designed to provide you with a comprehensive understanding of various alternative healing modalities. These courses cover topics such as acupressure, Reiki, and sound healing, offering practical knowledge and techniques to enhance your well-being.

CERTIFICATE COURSES

Acupressure

Our certificate course in acupressure provides a comprehensive introduction to the ancient art of applying pressure to specific points on the body to relieve pain, improve circulation, and promote overall well-being. Students learn the fundamental principles of acupressure, including point location, pressure techniques, and treatment protocols.

Reiki

Reiki is a gentle energy healing technique that involves channeling universal life force energy through the practitioner's hands. Our certificate course equips students with the knowledge and skills to perform Reiki sessions on themselves and others, promoting relaxation, reducing stress, and accelerating the body's natural healing processes.

Sound Healing

Sound healing utilizes specific frequencies and vibrations to harmonize the body's energy field. This certificate course explores the therapeutic benefits of various sound instruments, including tuning forks, singing bowls, and gongs, enabling students to integrate sound healing into their practice and promote wellness through sound.

Other Courses

We also offer certificate courses in various other alternative therapies, such as aroma therapy, reflexology, and crystal healing. These courses provide students with specialized knowledge and techniques to address specific health concerns and enhance their holistic practice.

PROSPECTUS OFFERS

Advance your knowledge and skills with diploma courses in alternative medicine. These programs delve deeper into specific disciplines, equipping you with the expertise to pursue a career or enhance your personal practice.

DIPLOMA COURSES

Acupuncture

Our Diploma course in Acupuncture equips students with comprehensive knowledge of this ancient healing modality. Through a combination of theory and practical application, students will gain the skills to effectively diagnose and treat a range of conditions. Our experienced faculty provides personalized guidance and mentorship, ensuring students acquire a strong foundation in this dynamic field.

Yoga and Naturopathy

Our Diploma course in Yoga and Naturopathy provides students with a comprehensive understanding of holistic health practices. The curriculum encompasses the principles of yoga, its various styles, and their therapeutic benefits. Students also explore the fundamentals of naturopathy, including dietary guidance, herbal remedies, and lifestyle interventions for promoting well-being.

Electrohomeopathy

Our Diploma program in Electrohomeopathy offers a unique blend of traditional electro homeopathic principles and modern technology. Students gain expertise in using electro-homeopathy therapeutic herbal medicine to stimulate the body's natural healing mechanisms. Our rigorous curriculum covers the theory behind electrohomeopathy, its applications, and the latest advancements in this evolving field.

PROSPECTUS OFFERS

Pursue a comprehensive and rigorous academic journey with our Bachelor Degree courses in Electrohomeopathy and Alternative Medicine. These programs provide a strong foundation in theory, research, and practical application, preparing you for a rewarding career in the field.

BACHELOR DEGREE COURSES

Bachelor of Electro Homeopathy Medicine System

The Bachelor of Science in Electrohomeopathy program equips students with a comprehensive understanding of this unique branch of alternative medicine. The curriculum covers the principles of electrohomeopathy, its applications, and the use of advanced technology in diagnosis and treatment.

Bachelor of Alternative Medicine System

The Bachelor of Science in Alternative Medicine program provides students with a broad foundation in various alternative healing modalities. This program explores a diverse range of approaches, including acupuncture, herbal medicine, and yoga therapy.

PROSPECTUS OFFERS

Elevate your expertise to the highest level with our MD courses in Electrohomeopathy and Alternative Medicine. These programs provide advanced training and clinical experience, enabling you to become a qualified practitioner and contribute to the advancement of alternative medicine.

Doctor Of Medicine (MD) COURSES

MD in Electrohomeopathy

This specialized program delves into the principles and applications of electrohomeopathy. Students acquire comprehensive knowledge of electrohomeopathy medicine and their use in treating various ailments.

MD in Alternative Medicine

This multifaceted program encompasses a wide range of alternative healing modalities. Students gain expertise in areas such as Ayurveda, Naturopathy, and traditional Chinese medicine, enabling them to provide holistic healthcare services.

REIKI

» What is Reiki?

Reiki is a Japanese energy healing technique. It is based on the idea that a “life force energy” flows through us and that when this energy is low, we can become ill. Reiki practitioners channel energy into the patient by gently touching them or hovering their hands above them. This energy is believed to help promote healing and reduce stress

» Benefits of Reiki

Reiki has been shown to reduce stress and anxiety. It can also help promote relaxation and improve sleep quality. Reiki can also help to promote faster healing after surgery or injury. Reiki is a safe and gentle practice that can be used by people of all ages.

Course Code	System of Medicine	Eligibility	Fees	Duration & Mode
RD12	REIKI Level 1 & 2	10th Pass or Equivalent	3100/-	3 Months , (21 days Practical)
RD13	REIKI Advance	10th Pass or Equivalent	4100/py	3 Months , (21 days Practical)
RD14	REIKI MASTER	10th Pass or Equivalent	5100/py	3 Months , (21 days Practical)
RD15	REIKI Grand Master	10th Pass or Equivalent	31000/py	3 Months , (21 days Practical)

All Courses are available in Online/Offline/Distance/Regular/Correspondence

Note : Practical Classes can be Conducted On Saturdays Sundays And Holidays

ACUPRESSURE

» Acupressure Techniques

Acupressure is a traditional Chinese medicine technique that involves applying pressure to specific points on the body. This practice is thought to stimulate the body's natural healing abilities and promote well-being. Practitioners use their fingers or special tools to apply pressure to these points, which are known as acupoints

» Benefits of Acupressure

Acupressure is believed to offer a variety of benefits, including pain relief, improved circulation, stress reduction, and better sleep. It is often used to address conditions such as headaches, back pain, and digestive problems. However, it's essential to consult with a qualified practitioner to ensure safe and effective treatment

» Acupressure Point

The body is said to have hundreds of acupoints, each linked to specific organs and functions. Practitioners use knowledge of these points and their energy pathways to address specific health concerns. Acupressure is often used in conjunction with other therapies, such as acupuncture and herbal remedies.

Course Code	System of Medicine	Eligibility	Fees	Duration & Mode
C.A.T	Certificate in ACUPRESSURE	10th Pass or Equivalent	5100/-	6 Months, (42 Days Practical)
D.A.T	Diploma in ACUPRESSURE	10th Pass or Equivalent	7500/py	1 Year, (84 days Practical)
B. ACCU	Bachelor in ACUPRESSURE	12th Pass or Equivalent	11000/py	4 Years, 6 Months, (378 Days Practical)
M. ACCU	Master in ACUPRESSURE	Graduate	21000/py	1 Year, (84 Days Practical)

All Courses are available in Online/Offline/Distance/Regular/Correspondence

Note : Practical Classes can be Conducted On Saturdays Sundays And Holidays

SOUND HEALING

Vibrational Healing

Sound healing uses vibrations to promote relaxation, reduce stress, and enhance well-being. It involves listening to specific sounds or frequencies, often created with instruments like singing bowls or tuning forks

Brainwave Entrainment

This technique uses rhythmic sounds to influence brainwave activity and induce specific states of consciousness. It can promote relaxation, improve sleep, and enhance focus.

Nature Sounds

Nature sounds like birdsong, wind chimes, and ocean waves can be deeply calming and restorative. Listening to these sounds can reduce stress, promote relaxation, and create a sense of peace.

Course Code	System of Medicine	Eligibility	Fees	Duration & Mode

All Courses are available in Online/Offline/Distance/Regular/Correspondence

Note : Practical Classes can be Conducted On Saturdays Sundays And Holidays

Sound Healing Therapy Training in AIIMS

ACUPUNCTURE

» Traditional Practice

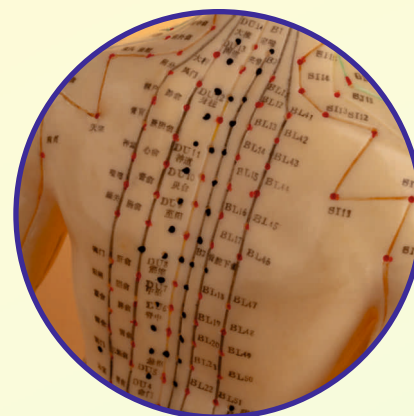

Acupuncture is a traditional Chinese medicine technique. It involves inserting thin needles into specific points on the body. This stimulates the body's natural healing abilities.

» Pain Relief

Acupuncture has been shown to be effective for pain relief. It can help with headaches, back pain, and other chronic conditions. It can also help to improve sleep quality and reduce stress.

» Points and Meridians

Acupuncture uses a system of points and meridians to stimulate the body's energy flow. These points are located along specific pathways. Each point is believed to correspond to a specific organ or system.

Course Code	System of Medicine	Eligibility	Fees	Duration & Mode
C. ACC	Certificate in ACUPUNCTURE	10th Pass or Equivalent	5000/-	6 Months, (42 days Practical)
D. ACC	Diploma in ACUPUNCTURE	10th Pass or Equivalent	7500/py	1 Year, (84 days Practical)
AD. ACC	Advance Diploma in ACUPUNCTURE	10th Pass or Equivalent	15000/py	2 Year, (168 days Practical)

All Courses are available in Online/Offline/Distance/Regular/Correspondence

Note : Practical Classes can be Conducted On Saturdays Sundays And Holidays

ELECTROHOMEOPATHY

» Integrative Approach

Electrohomeopathy is a unique blend of advance medical system . This approach aims to stimulate the body's natural healing capabilities by using combination electro homeopathic remedies. It often involves the use of electro homeopathic herbal plant cohobation tincture.

» Gentle Stimulation

Electrohomeopathy aims to gently stimulate the body's energy flow and promote its natural healing processes. This approach is believed to be a holistic and non-invasive way to address a wide range of health concerns, from chronic pain to digestive issues, chronic, degenerative, auto immune system and immuno deficiency disorders.

Course Code	System of Medicine	Eligibility	Fees	Duration & Mode
C. E.M.S	Certificate in ELECTROHOMEOPATHY	10th Pass or Equivalent	9000/py	1 Year, (84 days Practical)
D. E.M.S	Diploma in ELECTROHOMEOPATHY	10th Pass or Equivalent	24,000/py	2 Year, (168 days Practical)
B. E.M.S	Bachelor in ELECTROHOMEOPATHY	12th Pass or Equivalent	42,000/py	4 Year, 6 Months (378 days Practical)
MD (EH)	MD in ELECTROHOMEOPATHY	Medical Graduate in any Discipline or BAMS or MBBS or BHMS or BUMS	36,000/py	1 Year, (84 days Practical)

Note : Practical Classes can be Conducted On Saturdays Sundays And Holidays

YOGA AND NATUROPATHY

» YOGA

Yoga is an ancient Indian practice that combines physical postures, breathing techniques, and meditation. It is designed to promote physical, mental, and spiritual well-being. Yoga can help improve flexibility, strength, balance, and stress management. It can also enhance cardiovascular health and reduce the risk of chronic diseases.

» Naturopathy

Naturopathy is a holistic system of medicine that emphasizes the body's natural healing abilities. It uses a range of therapies, including diet, exercise, herbal remedies, and lifestyle changes. Naturopathy aims to address the root cause of illness and promote overall health and well-being. It is often used to prevent and treat chronic diseases and conditions.

Course Code	System of Medicine	Eligibility	Fees	Duration & Mode
C.Y.M.T	Certificate in YOGA AND NATUROPATHY	10th Pass or Equivalent	7500/-	6 Month, (42 days Practical)

M.Y.M.T	Master in YOGA AND NATUROPATHY	Graduate in any Disciple	40000/py	1 Year, (84 days Practical)

All Courses are available in Online/Offline/Distance/Regular/Correspondence

Note : Practical Classes can be Conducted On Saturdays Sundays And Holidays

Yoga and Naturopathy Training in AllAMS

Bachelor of ALTERNATIVE MEDICINE SYSTEM

1. Holistic Approach

Alternative medicine emphasizes a holistic approach to health and well-being, considering the interconnectedness of the mind, body, and spirit. It aims to address the root cause of illness rather than just treating symptoms.

2. Patient-Centered Care

Alternative medicine emphasizes patient-centered care, focusing on individual needs and preferences. It encourages active participation in the healing process and empowers patients to take responsibility for their health.

3. Complementary Therapies

Many alternative medicine practices can be used as complementary therapies alongside conventional medicine, enhancing the overall treatment plan and promoting well-being. They can be used to manage side effects and improve quality of life.

4. Natural Therapies

Alternative medicine employs a variety of natural therapies to promote healing and maintain health. These therapies include acupuncture, herbal medicine, yoga, and massage therapy. They are often used alongside conventional medicine.
